View counts on YouTube have gotten worse...

So you may or may not have heard about YouTube's recent change to view counts...
Now previously, when you click on a video YouTube wouldn't count that as a view until you watch like a few seconds of the video. Now last year YouTube changed this for Shorts so that when you PLAY THE VIDEO FOR AT LEAST 1 FRAME IT COUNTS AS 1 VIEW. Guess what they're doing this for long form content now. It's like they expect creators to make long-form slop content now, if shorts weren't already enough.

So in the coming weeks you MIGHT see my view counts rise dramatically, since it counts the view when the video plays. You just can't prevent it.

Should mention, apparently you can see the "old" view count as the "Engaged views" count... in YouTube Studio. Yeah so basically they just made the old view count... private. Replaced it with a shittier one meant for short-form content.

By the way. Word of advice. Stop watching YouTube Shorts. Or at least, don't use the YouTube Shorts UI. Use the normal player if you can. If not, NEVER EVER scroll to the next short, and then the next one, and then the next one...

MAYOR RIDA ROBES, BINATIKOS MATAPOS UMANONG DINURO-DURO ANG CITY COUNCILOR! 📣

Umani ng batikos si San Jose del Monte City Mayor Rida Robes matapos umanong duruin ang isang city councilor matapos itong pagbintangan na umano'y nag-uutos sa mga tao na sumigaw ng "TUBIG."

Samantala, sentimyento ng ilang residente na hindi na umano kailangang utusan ang publiko upang ipahayag ang kanilang hinaing, dahil ramdam na raw nila ang umano'y problema sa serbisyo ng tubig sa lungsod.

May ilan ding nagpahayag ng suporta sa city councilor sa social media gamit ang #ProtectAttyPordan.

‘ABA, MAHIYA NAMAN KAYO!’

Dismayado si San Jose del Monte, Bulacan Mayor Rida Robes matapos siyang salubungin ng mga sigaw na “tubig, tubig” ng ilang dumalo sa Minuyan Sports Complex.

Ayon sa post ng ilang netizen mula Bulacan, matagal nang problema sa ilang barangay sa San Jose del Monte ang putol-putol na supply ng tubig.

Nilinaw naman ng asawa ng alkalde na si Arthur Robes na wala silang kontrol sa mga pribadong kompanya ng tubig.

NAGLALAKIHANG DAGA, NAKUHANAN NG VIDEO

Tila day off ng mga pusa sa isang condominium building sa Quezon City dahil kuhang-kuha sa video ang mga naglalakihang daga na naghahabulan pa sa hallway noong August 9, 2026.

Ayon kay YouScooper CC, ang kumuha ng video, madalas daw nilang masaksihan ang ganitong pangyayari simula pa noong 2020. Kung minsan, paglabas daw niya ng elevator, mga daga ang unang sumasalubong sa kaniya. May naaabutan din daw silang mga patay na daga sa labas ng kanilang mga pintuan.

May mga residente na raw na nagreklamo sa developer ng condo.

Dagdag pa ni Youscooper CC, lalong nakababahala ito ngayong tag-ulan dahil may panganib ng leptospirosis mula sa mga daga at kontaminadong tubig. #YouScoop

PUBLISHED : AUG. 24, 2026
COURTESY: SENATE PRIB
Magpapasalamat po ako kung totoong Lapid ‘yun, kamag-anak ko kasi. Sabi kasi ng Tatay ko, basta Lapid, kamag-anak ko.
Kaya magpapasalamat ako sa Defense at kay Lachica kung nabigyan ‘yung kamag-anak ko. Kung hindi, kung alyas ’yun, paano ‘yung pangalan at apelyido namin na in-alyas n'yo lang pala, hindi totoong tao?

VP SARA REQUESTED MORE THAN 400 SECURITY PERSONNEL — PROSECUTION

Based on a letter presented by the Prosecution, Vice President Sara Duterte requested more than 400 security personnel and an additional special duty allowance for members of the Vice Presidential Security and Protection Group (VPSPG).

OVP Asst. Chief of Staff Lemuel Ortonio said he had no personal knowledge of whether other vice presidents had requested a similar number of security personnel. The Defense objected to the Prosecution's discussion of VPSPG salaries, arguing that the matter was not covered by the COA findings or the impeachment case.

Presiding Officer Sen. Chiz Escudero, however, said the court had already taken note of Prosecution counsel Mae Divinagracia's point that Duterte already had around 470 security personnel, who could supposedly perform functions related to the purpose cited for requesting confidential funds. #VPonTrial | via Joseph Morong/GMA News

e. List of VPSPG members per roster of troops.
It may be noted that while the authority documents attached provide for a total of 478 VPSPG personnel, the actual count per roster of troops is only 473. Of the actual number of VPSPG per roster of troops, the total number of members who already reported as of October 10, 2022 is 422. With this and considering the available allotment for SDA, the recomputed amount of P8.213 Million is requested to fully cover the SDA requirement of the VPSPG members until the end of the year.
For further clarifications, please contact MR. KELVIN GEROME L. TENIDO via e-mail at kelvin.tenido@ovp.gov.ph.
We hope that you will find the submitted documents in order.
Thank you.

CYSDO, SAN JOSE DEL MONTE NAGLABAS NG OPISYAL NA PAHAYAG TUNGKOL SA NAGANAP NA PAMBABASTOS O PANGGUGULO SA MGA OPISYAL NA AKTIBIDAD NG LUNGSOD 🚨

Mariing kinondena ng City Youth Sports and Development Office (CYSDO) at ng Liga ng mga Sangguniang Kabataan (SK) ng San Jose del Monte ang anumang uri ng pambabastos at panggugulo sa mga opisyal na aktibidad ng pamahalaang panlungsod.

Kasunod ito ng isang kamakailang insidente sa gitna ng mga pampublikong programa para sa kabataan kung saan nagkaroon ng hindi maayos na pag-asal kaugnay ng patuloy na krisis sa suplay ng tubig sa lungsod.

Sa isang opisyal na pahayag, nilinaw ng mga nasabing tanggapan na kinikilala at hindi minamaliit ng lokal na pamahalaan ang nararanasang problema sa tubig ng mga residente. Binigyang-diin nila na may karapatan ang bawat San Joseño na magpahayag ng saloobin at humingi ng mabilis na aksyon. Gayunpaman, paalala ng CYSDO at SK League, mahalagang idaan ang mga hinaing sa tamang paraan, tamang lugar, at tamang panahon

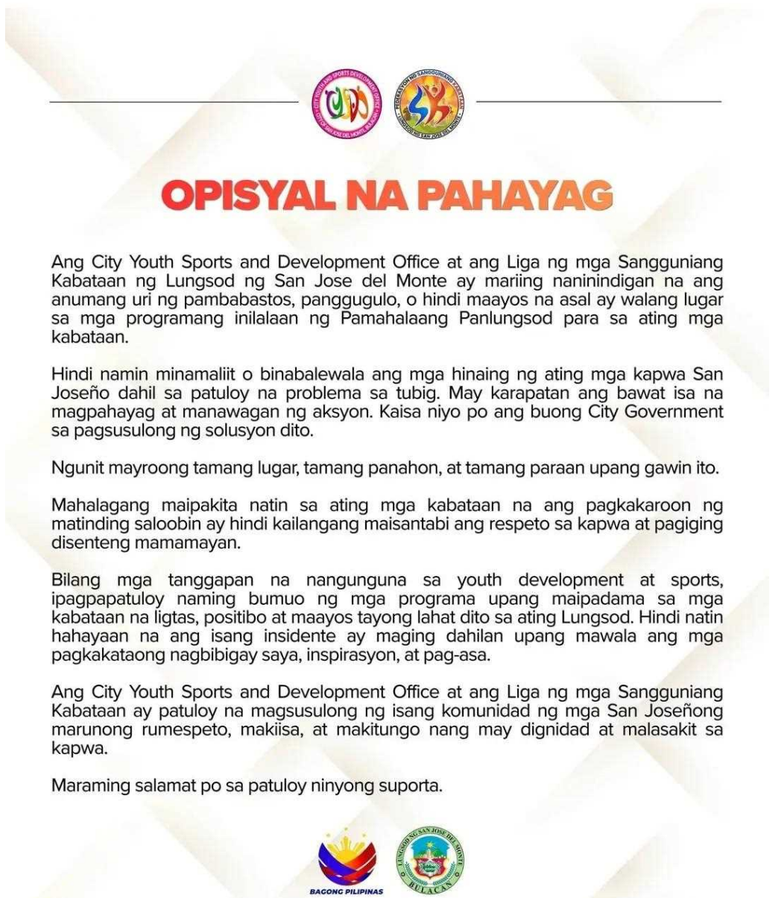
#BulacanUpdate



OPISYAL NA PAHAYAG
Ang City Youth Sports and Development Office at ang Liga ng mga Sangguniang Kabataan ng Lungsod ng San Jose del Monte ay mariing naninindigan na ang anumang uri ng pambabastos, panggugulo, o hindi maayos na asal ay walang lugar sa mga programang inilalaan ng Pamahalaang Panlungsod para sa ating mga kabataan.
Hindi namin minamaliit o binabalewala ang mga hinaing ng ating mga kapwa San Joseño dahil sa patuloy na problema sa tubig. May karapatan ang bawat isa na magpahayag at manawagan ng aksyon. Kaisa niyo po ang buong City Government sa pagsusulong ng solusyon dito.
Ngunit mayroong tamang lugar, tamang panahon, at tamang paraan upang gawin ito.
Mahalagang maipakita natin sa ating mga kabataan na ang pagkakaroon ng matinding saloobin ay hindi kailangang maisantabi ang respeto sa kapwa at pagiging disenteng mamamayan.
Bilang mga tanggapan na nangunguna sa youth development at sports, ipagpapatuloy naming bumuo ng mga programa upang maipadama sa mga kabataan na ligtas, positibo at maayos tayong lahat dito sa ating Lungsod. Hindi natin hahayaan na ang isang insidente ay maging dahilan upang mawala ang mga pagkakataong nagbibigay saya, inspirasyon, at pag-asa.
Ang City Youth Sports and Development Office at ang Liga ng mga Sangguniang Kabataan ay patuloy na magsusulong ng isang komunidad ng mga San Joseñong marunong rumespeto, makiisa, at makitungo nang may dignidad at malasakit sa kapwa.
Maraming salamat po sa patuloy ninyong suporta.

Ginapahayag sang isa ka abogado nga importante nga mabatian ang bahin ni Col. Raymund Dante Lachica sa nagapadayon nga impeachment trial ni Vice President Sara Duterte agud mahibaluan kon diin nagkadto ang confidential funds nga gin-release sa iya.

Pahayag pa niya, mahimo nga may iban pa nga madalahig sa kaso kon may ebidensya nga nagapakita sang conspiracy, kag posible nga masundan ang koneksyon halin kay Acosta pakadto kay Lachica kag sa iban pa nga opisyal.

Dugang pa, ang testimonya ni Lachica mahimo mangin importante agud masabat ang pamangkot kon ano gid ang natabo sa confidential funds kag sin-o ang may accountability sini.

On behalf of the Action-Based Youth Advocates Network (ABYAN), we extend our heartfelt gratitude to every person, organization, partner, and community who helped us reach this milestone.

ABYAN may only be 10 months old as a member of the Iloilo Provincial Youth Development Council (IPYDC), and technically four years old through our involvement in the Local Youth Development Council (LYDC) and our registration under the Youth Organization Registration Program (YORP). Yet in that short journey, we have already achieved something that is never easy for any youth organization—to be recognized among the outstanding youth organizations in the Province of Iloilo.

To everyone who believed in us from the beginning, and to those who continue to believe in what ABYAN stands for, duru-duru gid nga salamat!

To all our Families, officers, members, volunteers, and advocates—thank you for continuing to live the spirit of genuine service to our communities. Every sacrifice, every sleepless night, every challenge, and every resource we had to stretch just to make a project happen was worth it. Our hardships were never for nothing.

We may not be an organization blessed with abundant financial resources. Many times, we work with almost nothing. But what we have is something that money cannot buy: the heart, commitment, and determination to serve.

And we will continue to prove that service does not always begin with money—it begins with people who are willing to show up, work together, and make things happen.

We will continue serving not only our beloved San Enrique, but whenever given the opportunity, the entire Province of Iloilo—and perhaps, someday, communities across the country.

Our deepest appreciation to the Local Government Unit of San Enrique, headed by Mayor **Niño Fernandez** and Vice Mayor **Trixie Fernandez**, for believing in and supporting our initiatives; to our MENRO Family, headed by our ever-supportive MENRO, Mrs. **Elena Mosquera**; to our adopted communities, the Dacal Ati Community (**Leonisa Lumangyao**) and Lip-ac Ati Community; and to all our partner institutions, organizations, individuals, volunteers, and friends who have supported our programs, projects, and activities throughout the years.

Aug 25, 2026 14:11:18

This recognition belongs not only to ABYAN. It belongs to everyone who became part of our journey and every community that gave meaning to our service.

The trophies may stand as symbols of what we have accomplished, but more importantly, they will serve as a reminder of the responsibility that comes with recognition—and as motivation to do more, reach more, and serve more.

This is not the finish line. This is another reason to keep going.

Padayon ang ABYAN! Padayon sa pagserbisyo! Padayon para sa pamatan-on kag komunidad!

Para sa San Enrique. Para sa Iloilo. Para sa Kabataan kag Pamatan-on nga Ilonggo kag Pilipino.

SERENA DALRYMPLE TREASURES GROWING UP WITH FRIENDS AND FAMILY ❤️🌿

There's something special about watching the people you grew up with build families of their own. 💞 Serena Dalrymple captured that feeling as she spent quality time with her loved ones, all while being surrounded by nature in Lake George, New York.

From boat rides to leisurely walks along tree-lined paths, Serena enjoyed a laid-back outing with her friends and their children, while also sharing sweet moments with her husband Thomas and their two kids, as seen on her Instagram page last August 24.

Serena reflected on the heartwarming trip, "From being young and rowdy together to watching our kids grow up alongside each other is so special ❤️"

The government has given its full backing to Ofcom to take "tough action" against social media platforms that fail to remove videos that depict dangerous driving after a crash that killed seven people near Middlesbrough.

The collision in the early hours of Saturday, in which PC Matthew Blades and PC Tom Clough died, occurred when a Volkswagen Passat carrying five people aged between 23 and 17 crashed head-on with a marked armed response vehicle while driving the wrong way on the A66.

Ordinary Filipinos are told to study for years, pass board exams, collect certifications, gain experience, compete against hundreds of applicants, and prove they deserve a job paying ₱20,000 or ₱30,000 a month.

Then inside the Office of the Vice President, Gina Acosta was entrusted with handling hundreds of millions of pesos in confidential funds despite admitting that she never took the licensure examination for her Customs Administration degree and had no formal training in confidential operations.

And who chose her?

Sara Duterte.

Not once.

Twice.

First in Davao City, then again in the Office of the Vice President.

When Acosta was asked why Sara Duterte chose her for such a sensitive responsibility, she could not even explain why.

Aug 25, 2026 15:59:41

That alone should raise questions.

That alone should raise questions.

But it gets worse.

Acosta testified that she released four ₱125-million tranches.

That is ₱500 MILLION in confidential funds.

And where did the money go?

She turned it over to Col. Raymund Dante Lachica, who was not the designated Special Disbursing Officer and was not fidelity-bonded for those funds.

Acosta remained the accountable officer.

Yet she admitted she did not personally witness many of the supposed payments to the people appearing in the acknowledgment receipts.

So how did she verify them?

She relied on Lachica.

The same man who received the money.

The same man who supplied the documents.

The same man she depended on to explain how the money was supposedly spent.

Aug 25, 2026 15:59:45

The same man she depended on to explain how the money was supposedly spent.

That is not the level of scrutiny Filipinos should accept when ₱500 million in public money is involved.

And the first ₱125 million is even more damning politically.

Acosta testified that Sara Duterte herself instructed her to release the money to Lachica.

So stop pretending this is some distant accounting controversy involving low-level employees.

The Vice President's own name is directly connected to the decision to release the money.

Meanwhile, Acosta now occupies a Vice Presidential Staff Officer VI position, a salary-grade level worth more than ₱100,000 a month in basic government pay depending on the applicable step.

Think about that contrast.

A Filipino earning ₱20,000 is expected to have qualifications, experience, references and sometimes licenses just to get through HR.

Aug 25, 2026 15:59:50

But someone entrusted with hundreds of millions of pesos in confidential government funds admits she had no formal training in confidential operations, could not explain why she was selected for the role, handed the money to another person, and relied heavily on that same person to substantiate where it supposedly went.

And taxpayers are supposed to look at that and say everything is normal?

No.

This is exactly the kind of arrangement that deserves brutal scrutiny.

Public money is not personal money.

Government is not a barkada system.

Sensitive positions are not supposed to be handed out simply because somebody powerful trusts you.

And ₱500 million is not loose change that can be passed from one person to another and explained later with paperwork nobody independently witnessed.

Ordinary Filipinos are forced to prove themselves for jobs paying a fraction of this salary.

Aug 25, 2026 15:59:55

Ordinary Filipinos are forced to prove themselves for jobs paying a fraction of this salary.

So the public has every right to demand an answer:

What exactly qualified Gina Acosta to be repeatedly entrusted by Sara Duterte with confidential funds worth hundreds of millions of pesos?

Because when the person handling the money cannot even explain why she was chosen, taxpayers have every reason to ask what kind of system Sara Duterte was running in the first place.

Nakarating sa aming programa ang video ng isang vlogger ukol sa report ... See more

STATEMENT

Nakarating sa aming programa ang video ng isang vlogger ukol sa report ng KMJS tungkol sa riverwall sa Narvacan, Ilocos Sur, na nasira noong August 9, 2026, sa kasagsagan ng mga bagyo at habagat.

Taliwas sa sinabi ng vlogger na hindi pinansin ng KMJS ang kontrata na mayroon ang naturang proyekto, sa inereng report, ipinakita ang buong titulo at description ng kontrata batay sa DPWH website. Ito ang "SIPAG Access Roads and/or Bridges from the National Road/s Leading to Major/Strategic Public Buildings/Facilities, Replacement of Bridge, Nanguneg West Bridge, Narvacan, Ilocos Sur," na may pondong ₱112 milyon.

Kabilang din sa ulat ang panayam kay Engr. Harold Molina, General Manager at Presidente ng SATRAP, ang contractor ng proyekto.

Ayon mismo kay Engr. Molina, bahagi ng kabuuang proyekto ang "flood control at revetment" sa naturang lugar. Mula rin sa budget ng kontrata ang pondong ginamit dito. Ibig sabihin, pinondohan ito ng pera ng bayan at hindi malasakit o donasyon lang ng isang pribadong kumpanya.

Ipinaliwanag din ni Engr. Molina na bago pa ang pagkakasemento kaya mabilis itong gumuho nang tamaan ng bagyo at habagat. Nangako rin ang SATRAP na aayusin ito dahil sakop pa ng warranty ang proyekto.

Naninindigan ang KMJS na ang ulat ay bunga ng masusing pananaliksik at nakabatay sa mga opisyal na dokumento, pahayag ng contractor, at salaysay ng mga residenteng direktang naapektuhan ng pagguho. Mahalagang bahagi ng pamamahayag ang pagbibigay-tinig sa kanilang karanasan, lalo na kung pampublikong pondo ang nakataya.

₱3.5-MILLION SUPPLIES: WHERE ARE THEY NOW?

The prosecution pressed OVP Assistant Chief of Staff Lemuel Ortonio Lemuel Ortonio over government supplies worth ₱3.5 million.

Ortonio admitted there was no inventory submitted to COA and said he could not personally identify where the tables, chairs, computers, and other non-consumable items are now, citing their use for confidential activities.

The prosecution's point: If they were bought with public funds, they remain government property—and should be accounted for. #VPonTrial

ATTY. MAE DIVINAGRACIA: Almost two decades na kayong naglilingkod sa gobyerno. Alam ninyo na ang ari-ariang binili ng pondo ng bayan ay pag-aari ng gobyerno, tama ba?
OVP ASSISTANT CHIEF OF STAFF LEMUEL ORTONIO: Yes, I would say so.
DIVINAGRACIA: Alam niyo rin na nakatala ang mga ari-arian ng gobyerno?
ORTONIO: Yes, if procurement through the regular funding.
DIVINAGRACIA: Pero you will confirm na para dito sa purchase ng supposed supplies—computers, tables, chairs—wala kayong sinubmit na inventory para dito sa COA? Wala ring binigay sa'yo na invoice or official receipts?
ORTONIO: None, ma'am.
DIVINAGRACIA: Hanggang ngayon, ikaw personally, hindi mo rin maituturo kung nasaan na itong mga mesa, upuan, supplies, computers na nagkakahalagang P3.5 million?
ORTONIO: Considering that these are procurements for confidential activities, no ma'am. I would have no personal knowledge of where these items are.

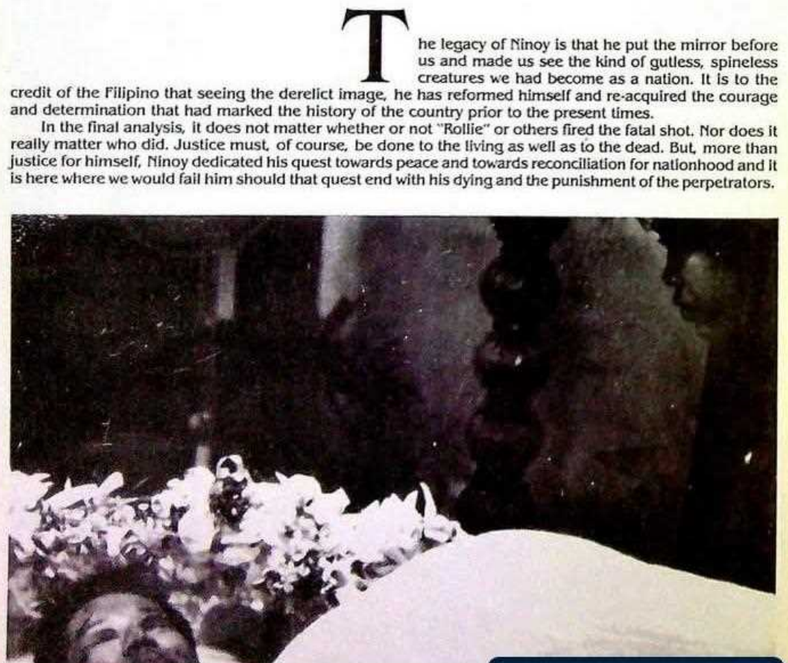
A few snapshots from those historic Eleven Days of August.

#DefendHistoricalTruth

*📷: "Ninoy: Eleven Days of August"



he legacy of Ninoy is that he put the mirror before us and made us see the kind of gutless, spineless creatures we had become as a nation. It is to the credit of the Filipino that seeing the derelict image, he has reformed himself and re-acquired the courage and determination that had marked the history of the country prior to the present times.

In the final analysis, it does not matter whether or not "Rollie" or others fired the fatal shot. Nor does it really matter who did. Justice must, of course, be done to the living as well as to the dead. But, more than justice for himself, Ninoy dedicated his quest towards peace and towards reconciliation for nationhood and it is here where we would fail him should that quest end with his dying and the punishment of the perpetrators.

"Aba mahiya naman kayo!", local mayor retaliates to 'disrespectful' act of residents during basketball game over water supply issue.

The half time break of a local inter-barangay basketball league in San Jose Del Monte, Bulacan was filled with the mocking chants of angry residents over water supply issue.

Several viral videos are heating up social media about a Mayor in Bulacan seemingly breaking down over the 'disrespectful manner' of residents.

In the video, the Mayor of San Jose Del Monte, Bulacan walks in the city's sports complex, where she was welcomed with the chant of angry residents. The people shouted "Tubig! Tubig! Tubig!", a call for the water supply issue in the city.

San Jose Del Monte City government has been criticized by its own residents and the national government due to the problem of water supply, a life basic need.

Residents reportedly have issues with rotating hours of water supply, contaminated water or worse, some communities have no water supply at all.

Residents reportedly have issues with rotating hours of water supply, contaminated water or worse, some communities have no water supply at all.

Fast forward to the viral video, after residents calls out the mayor over water issue, she apparently retaliated by speaking up to the crowd.

"Hindi pinagtatawanan ang isang mayor, hindi pinag tatawanan ang isang congresista, kung ikaw ay kagawad nirerespeto kita mula ulo hangang paa at kung bakit ka naging konsehal ay dahil nag simula ka sa Robes administration." She said.

The mayor, seeming pointing out the councilor of the city as the one who rallied the residents to chant "Tubig!"

"Ngayon, mga taga barangay Minuyan Proper ito lang ang hinihingi namin ay ito, kayo ay mahal na mahal naming lahat." The mayor added. Which was then followed by the crowd chanting: "Weeeeehhh"

After that the mayor proceeded to tell their accomplishments for the city and reminding the people that the basketball league is not for politics and not to disrespect its sponsors.

The video earned a lot of criticism online, with most people saying the mayor shouldn't be speaking things as if government projects are privileges, while some also criticized the manners of the water-less residents.

HUMAN INTELLIGENCE SA HALIP NA ARTIFICIAL INTELLIGENCE

Ito ang pahayag ni Pope Leo XIV, na iginiit na hindi kailangan ng mundo ang AI.

Ayon sa Santo Papa, maaaring magpahina sa sangkatauhan ang AI kaya mas kailangan ang human intelligence na ginagabayan ng karunungan, konsensya at innovation na nakatuon sa pagmamalasakit at kabutihan ng kapwa.

Nanawagan din ang Santo Papa sa mga mambabatas para sa responsableng pagpapatupad ng regulasyon sa AI para mapangalagaan ang privacy, karapatang pantao at kalayaan ng mga gumagamit nito, at maprotektahan sila mula sa pananamantala.

MOTION FOR VOLUNTARY INHIBITION OF HONORABLE SENIOR ASSOCIATE JUSTICE RONALD B. MORENO

THE PROSECUTION, through the Office of the Special Prosecutor of the Office of the Ombudsman, and unto this Honorable Court, most respectfully states:

1. It has been held that in order to insulate the Bench from unwarranted criticism, thus preserving a democratic way of life, it is essential that judges be above suspicion.[1] Accordingly, judges should avoid not just impropriety in their conduct but even the mere appearance of impropriety[2] for appearance is an essential manifestation of reality.[3] This proceeds from the duty of judges not only to administer justice but also to conduct themselves in a manner that would avoid any suspicion of irregularity[4] in order to promote confidence in judicial system. Occupying an exalted position in the administration of justice, judges are held to higher standards of conduct and must comport themselves accordingly.[5] Accordingly, any act which would give the appearance of impropriety become, of itself, reprehensible.

THE PROSECUTION, through the Office of the Special Prosecutor of the Office of the Ombudsman, and unto this Honorable Court, most respectfully states:

1. It has been held that in order to insulate the Bench from unwarranted criticism, thus preserving a democratic way of life, it is essential that judges be above suspicion.[1] Accordingly, judges should avoid not just impropriety in their conduct but even the mere appearance of impropriety[2] for appearance is an essential manifestation of reality.[3] This proceeds from the duty of judges not only to administer justice but also to conduct themselves in a manner that would avoid any suspicion of irregularity[4] in order to promote confidence in judicial system. Occupying an exalted position in the administration of justice, judges are held to higher standards of conduct and must comport themselves accordingly.[5] Accordingly, any act which would give the appearance of impropriety become, of itself, reprehensible.

There's something about this image that stops me every time.

A man on one knee with a ring. A beautiful moment. The kind that makes people cry in the best way.

And then Jesus beside him quietly showing His hands.

Not competing. Not minimizing the moment.

Just reminding you that before any man ever chose you, He already did.

And the proof wasn't a ring.

It was wounds that didn't have to happen but did because He loved you that much.

A ring says I choose you for this life.

The cross says I choose you for eternity.

Both matter. But never forget which one came first.

God loves you.

DAY 18
VP Sara Duterte Impeachment Trial Summary
15 senator-judges were present as the impeachment trial resumed, establishing a quorum.
Atty. Mae Divinagracia was recognized as counsel for the prosecution panel, while Atty. Kristine Ferrer served as counsel for the respondent.
Lemuel Ortonio, OVP Assistant Secretary and Assistant Chief of Staff, took the stand as the prosecution's second hostile witness.
Ortonio previously served as head of Davao City's Human Resource Management Office when Sara Duterte was mayor.
Ortonio confirmed that the OVP's Physical Financial Plan was prepared only after the confidential fund request and did not pass through his office.
Ortonio confirmed that he accompanied Gina Acosta when the ₱125 million confidential fund was withdrawn.
The defense objected to questions involving the PFP, accomplishment reports and VPSPG, arguing that Ortonio had no role in preparing some of the documents and that certain matters were not part of the impeachment allegations.
Ortonio said that, based on his understanding, Duterte knew about the confidential activities and how they were implemented, adding that everything he did was authorized by her.
The impeachment court adjourned at 2:39 PM.

BREAKING: DUMBEST MAGA YET? A Trump supporter leaves an interviewer flabbergasted by claiming that the British have been secretly ruling America for 125 years — until Trump finally freed us.

Tell us if you can make heads or tails of this...

"So Donald Trump, he's been in office now a year and a half. What's Donald Trump's greatest accomplishment in his first year and a half?" Jason Selvig of the political comedy group The Good Liars asked a Trump supporter on the street.

Never for a moment, not in the most untamed regions of our imagination, did we expect an answer like the one this woman delivered.

"Trump's done a lot of things. Number one, a lot that people don't realize, he got our country back because we've been under the reign of Great Britain the last 125 years," she said, completely serious. "They destroyed the evidence."

"What? Wait, what? We've been under the reign of Great Britain for the last 125—" asked a stunned Selvig.

"When Charles came here, he t[illegible] was going to manipulate Donald [illegible]

2026-08-25 16:56:22

"When Charles came here, he thought that he was going to manipulate Donald Trump. And Trump went along with him because that's who he is..." the woman continued. "But that's what the 250 years was really about, was we got our independence back."

"Wait a second. Sorry, sorry, sorry..." said Selvig, struggling to follow her deranged logic. "We've been under control for the last 125 years by Great Britain?"

"Mhm," she said, nodding sagely.

"Even though we've got, you know, the strongest army in the world and all that stuff?" asked Selvig.

"It's true. The truth is there," said the Trumper.

"Where did you see this? Where did you see this?" asked Selvig.

"You're just going to have to research just like I did. You're gonna have to. It's true," said the woman.

This is what passes for political thinking on the right. These people have completely rotted their minds with a constant diet of Fox News paranoia, InfoWars conspiracy theories, and insane bullshit cooked up by MAGA influencers looking to farm clicks.

This is what passes for political thinking on the right. These people have completely rotted their minds with a constant diet of Fox News paranoia, InfoWars conspiracy theories, and insane bullshit cooked up by MAGA influencers looking to farm clicks.

An entire swath of this country now lives in a fever swamp of delusions, egged on by their demented, sundowning President who will endorse any lie so long as he thinks that he can squeeze some votes out of it.

It's frankly astonishing that these people's votes counts as much as yours.

As for Selvig's question, the simple fact is that Trump has zero accomplishments to his name, which is why he has become so fixated on his ballroom, the Reflecting Pool, and other superficial renovations. He's grasping for a physical legacy because the history books will remember him as a dark stain on the American presidency, a pedophile who lost an illegal war, destroyed America's status as a superpower, and tanked the global economy.

Please like and share if you think that MAGA is a mental illness at this point!

DALAWANG PIRMA NI VP SARA

Kinumpirma ni OVP Assistant Chief of Staff Lemuel Ortonio na dalawang pirma ang ginagamit ni Vice Pres. Sara Duterte.

Ito'y matapos mapansin ni Presiding Officer Chiz Escudero na magkaiba ang pirma ng Bise sa letter request ng OVP para sa confidential funds noong Aug. 22, 2022 at Sept. 16, 2022.

"You can confirm likewise that they appear to be different, though?" tanong ni Escudero.

"Yes, that's correct," sagot naman ni Ortonio.

She has always worked for the people.

During the 2016 vice-presidential debate, **Mayor Leni** was asked what she would do if a president from a different political party won.

She answered: “Ako po, sanay akong magtrabaho kahit kanino. Ang pinakamahalaga sa akin, ‘yung kapakanan ng taumbayan. Kung sino po ang pipiliin ng ating mga kababayan na maging pangulo, gagawin ko po ang lahat para magkaroon kami ng magandang working relationship.”

Fast forward to the 2016 election results: Digong won the presidency with over 16 million votes, while Leni won the vice presidency with over 14 million votes. True to her word, when Digong appointed her as the chairperson of the Housing and Urban Development Coordinating Council in July 2016, she accepted and assumed office immediately.

Even as a member of Digong’s cabinet, she knew her mandate as Vice President included providing checks and balances.

facebook

Kaya naman naging vocal siya laban sa mga maling polisiya ni Digong, lalo na sa madugong pekeng war on drugs kung saan in-expose niya ang "palit-ulo" scheme. Dahil dito, nagalit sa kanya si Digong. Tiniis niya ang mga misogynistic remarks at pambabastos sa pagiging babae niya.

By December 2016, Leni received a text message from Cabinet Secretary Leoncio Evasco Jr., relaying the Digong's order for her to desist from attending all cabinet meetings. Consequently, she resigned from her HUDCC post.

Kahit wala na siyang cabinet position, tuloy pa rin ang trabaho niya. Kahit ginigipit at binawasan ang budget ng OVP, hindi siya tumigil. Ginamit niya ang Angat Buhay program para makakuha ng tulong at funding mula sa mga private sectors.

When the pandemic hit, her office became the ultimate safety net for thousands of Filipinos, stepping in where the national government fell short. From organizing free shuttles for frontliners and distributing PPEs, to launching mobile testing and free vaccine drives, she kept working.

She faced endless political attacks and fabricated legal charges, but she never backed down.

facebook

She faced endless political attacks and fabricated legal charges, but she never backed down.

Noong 2022 elections, nang maging malinaw ang resulta, tinanggap niya ang pagkatalo at nirespeto ang boto ng mga Pilipino.

Sabi pa nga niya: “Even if I lost, in all honesty, I wish the President well. From the moment that I accepted defeat, talagang I want him to succeed because his success will be the success of the country.”

Pagkatapos nito, tinuloy niya pa rin ang pagtulong sa pamamagitan ng Angat Buhay Foundation.

Then came the 2025 local elections, where she ran for Mayor of Naga City and secured a landslide victory.

Kahit naging katunggali niya si BBM noon, pinili niya pa ring makipagtulungan sa administrasyon para sa kapakanan ng kanyang mga nasasakupan. Isinantabi niya ang political rivalry.

She has always been true to her word. No matter who is in power, she always chooses to work with whoever it takes, because her only true boss is the Filipino people.

Wala pang deklarasyon. Wala pang kandidatura. At halos dalawang taon pa bago ang 2028 elections.

Pero kapansin-pansin na patuloy na nananatili sa national conversation si Naga City Mayor Leni Robredo.

Bukod sa pag-angat ng kanyang numero sa ilang hypothetical presidential surveys, lumulutang ngayon ang impormasyon na 52 gobernador umano ang handang sumuporta kay Robredo sakaling magdesisyon siyang tumakbo sa pagkapangulo sa 2028. Mahalagang idiin na wala pang nailalabas na kumpletong listahan o independent verification sa naturang bilang.

Pero may mga numerong hindi rin madaling balewalain.

Sa June 2026 WR Numero survey, umakyat sa 21% ang presidential preference para kay Robredo, limang puntos na pagtaas mula sa naunang survey. Sa hiwalay na OCTA poll, numerically ahead din ang hypothetical Robredo–Raffy Tulfo tandem, 45% versus 42% para sa Sara Duterte–Imee Marcos pairing, bagama't statistically tied ang resulta.

At marahil iyon ang mas interesting na kuwento.

At marahil iyon ang mas interesting na kuwento.

Hindi pa nangangampanya si Leni. Hindi pa siya nagsasabing tatakbo. Pero tila may mga numerong gumagalaw at mga pangalang nagsisimulang tumingin sa kanyang direksyon.

Napakalayo pa ng 2028 at maraming maaaring magbago.

Pero kung ganito na ang usapan habang nananatili siyang nakatutok sa Naga, what happens if Leni actually decides to run?

In 2024, VPInday Sara Duterte was visiting former vice presidents as part of the OVP's efforts to finalize plans for an OVP Museum and related historical exhibits.
Through a common friend, VP Sara traveled to Naga City to meet former Vice President Leni Robredo.
Robredo's camp later confirmed the meeting and made it clear that their conversation was personal and non-political. Despite that clarification, VP Sara was subjected to incessant bashing from kakampinks simply for meeting Robredo.
Fast-forward to today: Leni Robredo is now defending Bongbong Marcos on certain issues and is even working with the Marcos administration. This time, however, the same kakampinks have rushed to Robredo's defense, arguing that she is merely being "professional."
Hayyyufff!
VP Sara and Leni had common friends who helped arrange their 2024 meeting. And whether people like to acknowledge it or not, there was even a ROSAor [Robredo-Sara] movement during the 2022 elections.
So why wasn't the same standard applied then? Why couldn't VP Sara and Leni simply have been two former and incumbent vice presidents acting professionally and meeting through mutual friends?
Apparently, "professionalism" is an acceptable explanation now, but it wasn't when Sara met Leni.
Maybe the difference is that back then, there was no ₱500 million involved?

ANG HATOL KAY MARK DAVID CHAPMAN

Noong August 24, 1981, hinatulan ng pagkakabilanggo si Mark David Chapman matapos ang kaniyang pagpatay sa English singer at the Beatles member na si John Lennon noong December 8, 1980.

Si Mark David Chapman ay isinilang noong May 10, 1955. Bagama't isinilang sa Texas, U.S., sa Decatur, Georgia lumaki si Chapman. Sa murang edad, kinahumalingan ni Chapman ang English band na The Beatles lalong-lalo na si John Lennon. Pagtungtong ng hayskul, naging born-again Christian si Chapman at nang makapagtapos ay nagsilbi sa Young Men's Christian Associate (YMCA) at bilang counselor sa mga Vietnamese refugees sa Fort Chaffee, Arkansas. Noong 1977 nang siya ay nanirahan sa Hawaii kung saan ay pinagtangkaan niyang kitilin ang sariling buhay. Nang maglaon ay nagbalik sa trabaho si Chapman bilang maintenance at empleyado ng print shop ng isang ospital.

Taong 1979 nang ikasal si Chapman. Nagtrabaho rin siya bilang security guard. Lumala nang lumala ang pag-iisip ni Chapman. Kaniya ring naibigan ang aklat na "The Catcher in the Rye" ni J.D. Salinger. Naging delusyunal si Chapman at nagkaroon ng kagustuhang

Taong 1979 nang ikasal si Chapman. Nagtrabaho rin siya bilang security guard. Lumala nang lumala ang pag-iisip ni Chapman. Kaniya ring naibigan ang aklat na "The Catcher in the Rye" ni J.D. Salinger. Naging delusyunal si Chapman at nagkaroon ng kagustuhang
pumatay. Ilan sa mga personalidad na nais niyang patayin ay sina Johnny Carson, Elizabeth Taylor, at si Lennon. Sa huli, kaniyang itinuloy ang plano kay Lennon. Noong October 1980 nang magbitiw sa trabaho si Chapman at kalauna'y bumili ng baril. Nang taong iyon ay nagtungo siya sa New York City upang isakatuparan ang pagpatay kay Lennon ngunit nagbago ang kaniyang isip at nagbalik sa Hawaii noong November 1980. Makalipas ang ilang linggo, muli na namang nagbago ang kaniyang isip at nagbalik sa New York noong December 6. Lumipas ang dalawang araw, binantayan niya ang kilos ni John Lennon at kaniyang inabangan sa kaniyang tahanan sa Dakota apartment building. Noong December 8, 1980, nagawa pa niyang magpa-autograph sa singer. Nang lumalim ang gabi, kaniyang binaril ang mang-aawit habang pauwi sa kaniyang tahanan na agad nitong ikinasawi. Nanatili sa crime scene si Chapman habang binabasa ang "The Catcher in the Rye". Agad naman siyang inaresto ng mga otoridad.

Sinampahan ng second-degree murder case si Chapman at isinailalim sa psychiatric testing. Bagama't nadiagnose siya na mayroon schizophrenia, naghain ng guilty plea si Chapman dahilan upang sentensyahan siya ng hukuman noong August 24, 1981 na mabilanggo. Ani ni Chapman, kagustuhan ng Panginoon na patayin si Lennon. Siya ay hinatulan ng 20 taong pagkakakulong at makailang-ulit na tinanggihang makalaya. Siya ay kasalukuyang nakakulong sa Green Haven Correctional Facility sa New York.

Alamin kung ano'ng mga ganap sa Day 17 ng Impeachment Trial ni VP Sara Duterte

Natapos ngayong araw ang pagsalang ni Gina Acosta, ang dating Special Disbursing Officer (SDO) ng Office of the Vice President (OVP), bilang hostile witness.

📌 Naisiwalat ang iba pang mga kahina-hinalang pangalan na nakatanggap ng di-bababa sa P100,000 confidential funds kabilang sina **Antonio Pagong**, **Timon Andrew Pusa**, **Don Piang**, **May Pamana**, **Shane Ngitngit**, at **Xuniso Belat**. Hanep na naman sa mga pangalan!

📌 De-kahon o mala-sirang plaka ang mga sagot ni Acosta sa mga tanong ukol sa pagbibigay niya ng confi funds sa hindi accountable officer, kung bakit hindi na-verify kung totoong mga tao ba ang kaduda-dudang mga pangalan ng recipients, at iba pa kahit mga simpleng tanong lang.

📌 Inamin ni Acosta na bagaman nakasaad sa Joint Circular No. 2015-01 na bawal ilipat ang confidential funds mula sa SDO sa ibang tao, diretso pa rin nyang ibinigay kay Col. Raymund Lachica ang P125 million (2022 confi funds) pagka-encash nya sa bangko dahil utos umano ni VP Sara.

📌 Para sa sumunod na release ng confi funds noong 2023, pagkatapos ng encashment ay diretso nyang ibinigay ang humigit-kumulang P80 milyon kay Lachica, at ang natirang pondo ay inilagay nya sa vault. Kalaunan ay ibinigay nya rin lahat kay Lachica.

📌 Suma-tutal, kalahating bilyong piso ang ibinigay nya kay Lachica, kahit hindi ito awtorisado sa paghawak ng confi funds, dahil sa utos pa rin ni VP Sara.

📌 Aminado si Acosta na lahat ng ibinigay na dokumento ni Lachica ukol sa disbursement at liquidation ay pinaniwalaan nya kahit hindi nya personal na nakita kung naibigay nga ang pera sa mga kaduda-dudang recipients — kung dinala ni Lachica ang pera sa private account o ipinamudmod man sa ibang tao, hindi nya malalaman. Ang papel lang umano nya ay magproseso ng mga dokumento at hinayaan na nyang si Lachica ang mag-implement, gumastos o magbigay ng pondo dahil sya umano ang pinagkatiwalaan ni VP Sara.

umano ang pinagkatiwalaan ni VP Sara.

Yan ang nangyari sa kalahating bilyong pisong confidential funds ng OVP — pera ng taumbayan na iniutos ni VP Sara na ibigay sa isang di-awtorisadong tao o hindi accountable officer.

Meron pang milyon-milyong pisong confidential funds para naman sa DepEd, sa ilalim pa rin ng pamumuno ni VP Sara bilang dating Secretary, na tatalakayin sa susunod na mga araw ng paglilitis.

'HINDI KO MAALALA, YOUR HONOR'

Hindi umano matandaan ni Gina Acosta ang confidential funds na natanggap ng Davao City mula 2019 hanggang 2022, noong si Vice President Sara Duterte pa ang alkalde ng lungsod.

Sa ika-17 araw ng impeachment trial, ipinakita ni private prosecutor Atty. Amando Ligutan ang breakdown ng confidential fund allocations ng Davao City na, ayon sa prosecution, umabot sa P1.84 bilyon sa loob ng apat na taon.

Nang tanungin si Acosta kung naaalala niya ang mga pondong ito, sinabi niyang, “Hindi ko maalala, Your Honor. Tagal na kasi ‘yun. May edad na ako.”

‘MA’AM, NANINIWALA AKO KAYA NINYONG GAMITIN ANG WIKANG FILIPINO RITO’

Presiding officer Chiz Escudero flagged Gina Acosta for answering in Bisaya when asked about the acknowledgement receipts during the 17th day of the impeachment trial.

“May acknowledgement receipt bang pinirmahan si Col. Lachica para sa binigay niyong P125 million?” Escudero asked on Monday.

“I’m sorry, I’m confused. Paghatag na ko Col. Lachica ng P125 M, ipa-receive ko, your honor, sa object of expenditures na gihatag nya sa ako, didto ko sya gipa-receive—,” Acosta said.

“Ma’am, naniniwala ako kaya ninyong gamitin ang wikang Filipino rito. Nung binigay niyo ‘yung P125 million sa kanya, pina-receive niyo sa kanya? Ibig sabihin, may pinirmahan siyang papel na tinanggap niya ‘yung P125 million mula sa inyo?” Escudero reiterated.

“Opo, your honor,” the former special disbursing officer of the Office of the Vice President answered.

Senator-Judge Raffy Tulfo called former OVP disbursing officer Gina Acosta “stupid in the name of blind loyalty.”

But impeachment is a constitutional proceeding—not a license for public humiliation.

Acosta may be questioned aggressively. Her actions, reliance on Col. Raymund Lachica, and the questioned acknowledgment receipts deserve scrutiny. But accountability must still rest on evidence, law, and due process—not insults.

If her conduct was negligent, prove it. If she violated the law, establish it.

Calling a witness “stupid” proves nothing.

Senator Robin Padilla confirmed that he will not seek the vice presidency in the next election, saying he no longer has political ambitions.

Speaking at an event, Padilla said he no longer sees hope in Philippine politics, arguing that the country's future lies not in politics but in its people.

Padilla made the remarks amid issues involving him and his wife, Mariel Padilla.

He recalled that he faced little criticism when he was still in the entertainment industry but said the number of people criticizing him increased after he entered politics.

Padilla has also faced scrutiny after he was seen leaving the Senate with Senator Ronald "Bato" dela Rosa, who was being sought over a warrant issued by the International Criminal Court (ICC).

Some people are just better human beings.

A couple of days ago, I took a Grab to meet a friend at a resto in BGC. I noticed a sign on the back of the driver's seat. At first, I thought it was just the usual ad, but after a closer look, I realized this driver was different, he was someone willing to help others in their time of need without asking for anything in return.
He was offering free rides for DIALYSIS AND CANCER patients. All you had to do was mention it to him. There was even a "stay strong" message at the bottom.

It was raining really hard, and finding a ride was tough. Drivers who were still out were already taking big risks with the floods and traffic just to provide for their families. Seeing this driver who was willing to help another person (probably in their most dire situation) even if it meant not getting paid, really put things into perspective for me.

Altruism isn't something we do just so we can post about it, that defeats the whole purpose. But when we see it in others, we should take the time to talk about it and praise it. Hopefully, that way we can inspire more people to find their own ways to help without looking for recognition or reward. Or at least, to be kind to a fellow human being when an

Akala mo imposible, pero nangyari talaga ito sa Honduras.

Noong 1998, tinamaan ang bansa ng Hurricane Mitch, isang Category 5 storm na nagdala ng halos 75 inches na ulan sa loob lang ng apat na araw. Mahigit 150 tulay ang nasira o malubhang napinsala—pero ang Choluteca Bridge, na itinayo para kayanin ang matitinding bagyo, ay halos walang naging pinsala.

Ang twist? Hindi ang tulay ang bumigay—ang ilog ang nagbago ng direksyon!

Dahil sa sobrang lakas ng bagyo, nagkaroon ng bagong daluyan ang Choluteca River at lumip

HINDI USAPIN NG EMOSYON

Bagaman nauunawaan nila ang nararamdaman ni dating Office of the Vice President (OVP) special disbursing officer Gina Acosta kaugnay sa health condition ng kaniyang asawa, iginiit ni Prosecution Counsel Lorna Kapunan na tungkol sa pagsisiwalat ng katotohanan ang impeachment trial ni Vice Pres. Sara Duterte.

"Maganda 'yung... observation ng isang Senator-Judge na she should understand na siya ang may responsibility, baka siya ang magbayad ng mga nangyaring ganiyan," sabi ni Kapunan.

"She should appreciate that if anyone goes to jail, they might point to her. Non-bailable po 'yan and she's already retired. So we are hoping that the truth will come out, if not through her, through other witnesses," dagdag ng abogado.

Doctor Caught on Camera Studying a Medical Tutorial While Treating a Patient

A hospital patient has now gone viral after very calmly filming her own doctor sitting there at a nearby computer. The doctor had her headphones on and was apparently watching a medical tutorial on YouTube in the middle of her treatment. In the shots, the doctor faces a monitor playing a clip of someone in scrubs demonstrating a procedure, as the patient lies in bed behind her.

The office chair the doctor is sitting in even has the word PEDS written on the back of it, short for Pediatrics. The patient herself, with her mask pulled down and an IV in place, wears an expression somewhere between total disbelief and quiet judgment. Unsurprisingly, the whole viral clip then quickly sparked plenty of widespread criticism of the staff and their overall competence.

Not everyone piled straight on, as plenty of other real doctors actually stepped in to defend the colleague here. They said they had personally encountered very similar sorts of moments themselves at work more than once during their own careers. They argued it was not a sign of unfamiliarity, but of a professi

double-checking a procedure to ensure everything was done correctly.

After seeing the controversy her short clip had generated, the patient, who posts as isabellely6, took to social media to set things straight. She stressed to everyone that the whole procedure had actually been a complete success, insisting that this TikTok was really just a joke. She warmly added that her doctor was fully qualified and had genuinely helped her throughout the entire thing.

Saw a restored newsreel from ABS-CBN's programme in 1990, around the time of the 1990 Luzon Earthquake.

Man it was unbelievable how professional news broadcasts were back then.

Reporters were able to give all facts on who, what, when, where, how and whys of a given event in such a short amount of time. Field reporters were asking the right questions, and were not cutting off interviewees abruptly. Footage was uncensored, long-form, and varied, clearly showing the realities on the ground. And there was little to no delay in-between reels and transitions!

Everyone was speaking full sentences in English or Filipino with barely any pauses, no ughhhh/ ahhhhh fillers, and barely any code-switching or mumbling. Even the random civilians being interviewed were speaking formal English! The dialogue sounds like everyone is reading and writing at a 10th grade level!

There was no stupid sound effects, and nothing analogous to ragebaits, clickbaits, or misleading headlines. No comedic quips, loud music, or street slang were inserted. Even the advertisements in between cut not consumer slop.

International news that was actually relevant to the country??? Reporters actually giving historical context for even the small things??? Wow!

How did mainstream media fall off from this??? We need to get this vibe back!

NGAYONG ARAW SA KASAYSAYAN | Agosto 24, 1896: Ang Pagdating ng mga Sugatang Katipunero sa Tahanan ni Melchora Aquino sa Banlat (Tandang Sora, Quezon City sa kasalukuyan)

Noong Agosto 24, 1896, dumating sa tahanan ni Melchora Aquino, na mas kilala bilang Tandang Sora, sa Banlat ang mga Katipunero na naghahanap ng ligtas na lugar upang makapagpahinga at makapaghanda para sa nalalapit na himagsikan. Ang Banlat na tinutukoy sa mga salaysay noong panahong iyon ay bahagi ng mas malawak na lugar na dating sakop ng Caloocan at ngayon ay bahagi na ng Quezon City. Sa mga araw na ito, palipat-lipat ang mga Katipunero dahil batid nilang maaaring matuklasan ng mga awtoridad ng Espanya ang kanilang kinaroroonan. Ang tahanan ni Tandang Sora ay naging isa sa mga lugar na kanilang pinuntahan at pinagkanlungan.

Hindi lamang mga malulusog na Katipunero ang nakinabang sa tulong ni Tandang Sora. Ayon sa mga salaysay tungkol sa kanyang papel sa Himagsikan, naging kanlungan din ng mga maysakit at sugatang Katipunero ang kanyang tahanan. Tinulungan niya sila sa pamamagitan ng pagbibigay ng pagkain, pahinga at pag-aalaga, sa kabila ng panganib na maaaring idulot nito sa kanyang sarili at pamilya. Ipinakita nito ang kanyang matapang na pakikiisa sa mga Katipunero, kahit hindi siya kabilang sa mga mandirigmang nasa mismong labanan. Dahil sa kanyang malasakit at pagtulong, lalo siyang nakilala bilang isang mahalagang tagasuporta ng Katipunan.

2026-08-25 10:23:13

Ang pagdating ng mga Katipunero sa lugar ni Tandang Sora ay bahagi ng mas malawak na paggalaw ng Katipunan noong mga araw bago sumiklab ang himagsikan. Sa isang salaysay ni Santiago Álvarez, mahigit 500 Katipunero ang nagtipon sa paligid ng bahay at kamalig ni Tandang Sora noong Agosto 23, at pagsapit ng Agosto 24 ay lumaki pa ang kanilang bilang hanggang mahigit isang libo. Binuksan ni Tandang Sora ang kanyang kamalig at naglaan ng pagkain para sa mga dumating. Kaya naman ang kanyang tahanan ay hindi lamang naging pahingahan ng mga Katipunero kundi naging mahalagang lugar din para sa kanilang pagtitipon at pagpaplano.

Sa araw ding iyon, nagkaroon ng mahalagang pagpupulong sa kamalig ni Tandang Sora na pinangunahan ni Andrés Bonifacio. Kabilang sa mga dumalo sina Emilio Jacinto, Pio Valenzuela, Briccio Pantas at iba pang kasapi ng Katipunan. Tinalakay nila ang mga susunod na hakbang ng kilusan at ang paghahanda par

malawakang pag-aalsa laban sa pamahalaang kilusan at ang paghahanda para sa isang malawakang pag-aalsa laban sa pamahalaang Espanyol. Sa salaysay ni Álvarez, napag-usapan ang pagsisimula ng pag-aalsa sa gabi ng Agosto 29, 1896, habang inihahanda rin ang mga Katipunero na kumilos nang mas maaga kung magkakaroon ng pagkakataon.

Mahalaga ring iugnay ang pangyayaring ito sa mga tinatawag na Unang Sigaw dahil may iba't ibang salaysay tungkol sa eksaktong petsa at lugar nito. May mga tala na naglalagay sa Sigaw sa Pugad Lawin noong Agosto 23, habang ang salaysay ni Santiago Álvarez ay nag-uugnay sa mahahalagang pangyayari sa Bahay Toro noong Agosto 23–24. May mga historyador ding nagmumungkahi na ang kamalig ni Tandang Sora sa Gulod, Banlat ang lugar ng isang mahalagang yugto ng mga pangyayaring ito. Anuman ang pagkakaiba ng mga salaysay, malinaw na noong mga araw na iyon ay naging mahalaga ang tahanan ni Tandang Sora bilang kanlungan ng mga Katipunero, kabilang ang mga maysakit at sugatan, at bilang lugar ng pagtitipon at pagpaplano ng Himagsikang Pilipino.

‘BAKIT BINABAYARAN NG GAMOT?’

Senator-judge Kiko Pangilinan asks Gina Acosta why informants were being paid with medicines during the 17th day of the trial on Monday.

“Nakalagay d’yan, medicines bilang reward para sa informer. Bakit binabayaran ng gamot o binibigyan ng reward na gamot ang informer?” Pangilinan inquired.

“Your honor, hindi ko po alam ito kasi galing po ito kay security officer na siya po nagpa-implement, your honor. Siya po ang implementor, your honor,” Acosta replied.

“Matagal ka nang naghahandle ng confidential funds, 2015 pa. Ganun ba ang gawi? Na binibigyan ang informer ng reward sa surveillance activities at ang bayad ay gamot? Kasi ang total n’yan is P122 million worth of medicines in three tranches,” Pangilinan added.

Gin-athag ni Police Brigadier General Randulf Tuaño, Director sang Police Regional Office 6, nga ang paggamit sang Artificial Intelligence mismo indi kriminal nga aktibidad.

Apang mahimo ini magresulta sa paglapas sa kasuguan kon ang AI ginagamit kag ginapost para sa content purposes.

Posible ini nga magalapas sa Article 177 sang Revised Penal Code ukon Usurpation of Authority or Official Functions, kag Article 179 ukon Illegal Use of Uniforms or Insignia.

Ginapaandaman man ni Tuaño ang publiko batok sa pagsuksok ukon paggamit sang PNP uniform sang mga indi miyembro sang organisasyon, lakip na sa mga aktibidad pareho sang “Career Day.”

Dugang pa sini nga ang PNP uniform indi dapat

sang "Career Day."

Dugang pa sini nga ang PNP uniform indi dapat gamiton sang mga sibilyan, ilabi na kon ang paggamit sini mahimo maghatag sang impresyon nga sila isa ka miyembro sang kapulisan.

STATEMENT OF APOLOGY
August 24, 2026

I sincerely and respectfully apologize for the Facebook reposts and posts I made, including the captions accompanying them, which may have directly or indirectly offended the good name and sensitivities of so many individuals particularly Atty. JESUS N. FALCIS, Atty. CHEL I. DIOKNO and Rep. PERCI V. CENDAÑA, to name a few, and to the different social and political groups and may have caused misunderstanding, embarrassment, or damage to their reputation.

I likewise extend my heartfelt and sincerest apology to the whole Department of Education, particularly to the Dimasalang National High School Community and stakeholders whom I have the privilege and the responsibility to serve.

As a school head, I fully recognize that my words, actions, and social media activities may be perceived as reflective not only of myself as an individual but also of the position and institution I represent.

Upon reflection, I acknowledge that I should have exercised greater prudence, restraint, and discernment in what I chose to repost and publish, especially considering my responsibilities as a School Principal.

Regardless of my personal intentions, I understand that the manner and context in which my reposts and post together with its captions may have cause offense and damage sensitivities. For this, I am truly sorry.

I take full responsibility and accountability for my actions. I do not intend to evade or diminish the consequences that arise from them. I am prepared to face whatever appropriate consequences may be imposed in accordance with existing laws, rules, policies, and procedures of the Department of Education

I also take this very sad experience as an opportunity for sincere reflection and learning. I commit to exercising greater caution, professionalism, and responsibility which I already promise to myself not to make any future statements and social media engagements especially politically-related, mindful at all times of the dignity of every individual, the trust entrusted to me as a school head, and the integrity of the Department of Education.

‘THIS WITNESS CAN PRACTICALLY BECOME A SOCIAL PARIAH’

Private prosecutor Atty. Mae Divinagracia establishes the alleged relation between witness Lemuel Ortonio and Vice President Sara Duterte during the 18th day of the impeachment trial.

“What is your relation with Mr. Ernesto Nemenzo Ortonio Jr...?” she asked, to which Ortonio answered that the person mentioned is his father.

Atty. Kristine Ferrer of the defense team raised an objection for relevance.

“It is very much relevant because this would prove that this witness and the respondent move in the same social circle and this witness can practically become a social pariah if he speaks unfavorably of the respondent,” Divinagracia responded.

“You’re on a short leash, counsel. Go to your point. Objection is overruled,” Presiding officer Chiz Escudero said.

Ang angkan namin many years ago, noong bata pa ang mama ko, Catholic po talaga sila. Ang mga lolo at lola ko, they were Catholics.. Nang ma ebanghelyohan ng mga Saksi ni Jehova, binasag at tinapon nila mga larawan nina Mama Mary at Jesus dahil na brainwash sila na ito daw ay mga dios diosan hanggang sa tuluyan na nga silang umanib sa Saksi.

Pati mama ko at iba niyang mga kapatid naging Saksi narin.. Pero meron din naman silang mga kapatid na hindi na akay at nananatiling Katoliko parin... Thank God🙏😌.. Kaya kapag may birthday celebration, hindi na sila kompleto, hindi nakiki celebrate si mama dahil bawal nga sa mga Saksi, pati Pasko. Ang pagdiriwang ng kapanganakan ni Jesus, hindi na niya sine celebrate.

Sa side naman ni papa, buong family niya ay Catholic din at siya lang ang bukod tanging na akay ng mga Saksi ni Jehova. Ang panganay niyang kapatid ay naakay naman ng Pentecostal, may isang anak siyang naging Pentecostal din pero bumalik din sa Catholic. Ito iyong kinuwento ko sa inyong pinsan ko na bumalik to Catholic kamakailan lang.

Nagkatagpo sina mama at papa sa Kingdom Hall both saksi na sila kaya kaming mga anak

Aug 25, 2026 10:59:19

Nagkatagpo sina mama at papa sa Kingdom Hall both saksi na sila kaya kaming mga anak nila ay ipinanganak at lumaking Jehovah's Witnesses.

Nabawtismuhan ako sa Saksi Dec. 2002, pati dalawa kong mga kapatid ay baptized na rin. Samantalang ang iba kong kapatid ay hindi pa nagpabaptize.

By God's grace nang lumaki na ako at nagkaisip, sinubukan kong tuklasin ang katotohanan at nahanap ko ito sa Katoliko hanggang sa nagpa convert na nga ako.

Isa ito sa biggest transition ng aking buhay at alam kong isa ako sa ginawang instrumento ng Diyos upang pabalikin ang angkan ko sa Catholic Church.. 🙏

Sisimulan ko ito sa sarili kong pamilya🙏.

By God's grace, sana'y dito na matigil ng angkan namin na manatili sa simbahan na tatag lang ng tao at ipinagdarasal ko na lahat kami ay makabalik sa Catholic Church, ang aming "original tahanan" ang "original simbahan" ng aming angkan. Ang church na itinatag ng ating Panginoong Jesus🙏✝️❤️

SAME DRESS. SAME POSE. SAME AGE. 25 YEARS APART. ❤️

A mother and daughter recreated the same photo at the same age, wearing the exact same red dress and the resemblance is almost unbelievable.

The pose is nearly identical, the expression feels familiar, and the dress has somehow become a tiny piece of family history passed from one generation to the next.

What started as an old portrait became a beautiful side-by-side reminder that some things really do run in the family.

Same dress. Same age. Same pose. Different generation.

And honestly… Mom may have some competition this time. 👀❤️

‘THE ACCIDENT WAS ENTIRELY MY FAULT’

Inako ng aktor na si Niño Muhlach ang kaniyang pagkakasala sa kinasangkutan niyang road accident sa Antipolo City.

Sa isang pahayag ngayong Lunes, Aug. 24, sinabi ng aktor na nakatulog siya habang nagmamaneho. Naka-day off umano kasi ang kaniyang regular driver kaya kinailangan niyang ipagmaneho ang sarili.

“While fatigue overtook me, that is no excuse,” dagdag ni Muhlach.

Prayoridad umano niya sa kasalukuyan ang matiyak na matanggap ng apektadong indibidwal ang kinakailangang suporta at medical assistance, maging ang mabayaran ang damages sa properties at mga establisimyento.

“I am deeply sorry to the victim, their family, and everyone affected by my negligence. I am fully cooperating with authorities as this matter is being resolved.”

P1.84-B NGA CONFIDENTIAL FUND NI VP SARA BILANG ALKALDE, NADISKUBREHAN SA TION SANG IMPEACHMENT TRIAL

Naglab-ot sa P1.84 billion ang confidential funds sang Davao City sa sulod sang apat ka tuig nga pagka-alkalde ni Vice President Sara Duterte suno sa ginpresentar sang prosekusyon sa impeachment court.

Suno sa record, P460 million ang confidential fund sang Davao City kada tuig humalin 2019 tubtub 2022.

Si Gina Acosta nga nangin Special Disbursing Officer (SDO) sang Davao City kag sang ulihi sang Office of the Vice President (OVP) amo ang nag-uyat sang nasambit nga pundo.

Ginpahayag ni Acosta nga indi niya madumduman ang insakto nga kantidad sang confidential funds sang Davao City bangud sa iya edad. Apang aminado ini nga nangin modelo sang OVP ang pamaagi sa paggamit sang confidential funds sa Davao.

Ini nga pamaagi naglakip sang paghatag sang confidential funds sa mga tawo nga indi bonded ukon authorized sa pag-uyat sang kuwarta.

Aug 25, 2026 11:14:33

Ini nga pamaagi naglakip sang paghatag sang confidential funds sa mga tawo nga indi bonded ukon authorized sa pag-uyat sang kuwarta.

Isa sa mga nakabaton sang kwarta amo si Col. Raymund Dante Lachica, isa ka security officer. Suno kay Acosta, naglab-ot sa P500 million ang cash nga iya ginhatag kay Lachica halin sa confidential funds sang OVP.

Nahibaluan man ni Acosta nga wala gin-bond si Lachica nga isa ka kondisyon sang pagsulundan sa pag-uyat sang amo nga mga pundo. Apang, nagsiling sia nga sia gihapon ang may salabton sa kuwarta.

Ginpahayag nga naghatag si Lachica sang acknowledgement receipts para gamiton sa liquidation kag pagsumiter sa Commission on Audit (COA). Apang ginpahayag ni Acosta nga ginbawi ni Lachica ang mga resibo matapos nga na-liquidate ang pondo.

Ini nga mga pahayag ang kabahin sang mga ebidensya nga ginpresentar sa impeachment proceedings batok kay Vice President Sara Duterte.

VP SARA DECIDED HOW MUCH CONFI FUNDS TO REQUEST — ORTONIO

OVP Assistant Secretary and Assistant Chief of Staff Lemuel Ortonio testified that it was ultimately Vice President Sara Duterte's discretion to determine how much confidential funds the OVP would request.

This came after prosecution counsel Mae Divinagracia presented an August 22, 2022 letter requesting confidential funds from the DBM, which was sent before Col. Raymund Lachica was appointed as OVP security officer on September 16, 2022. Divinagracia also pointed out that the request letter did not include a physical and financial plan or other attachments. **#VPonTrial** | via Joseph Morong/GMA News

VP SARA HAD TWO DIFFERENT SIGNATURES?

Presiding Officer Sen. Chiz Escudero pointed out that Vice President Sara Duterte appeared to have different signatures on an August 22, 2022 letter requesting confidential funds and documents dated September 16, 2022.

OVP Assistant Secretary and Assistant Chief of Staff Lemuel Ortonio, however, confirmed that both signatures belonged to VP Sara. **#VPonTrial** | via Joseph Morong/GMA News

Kahit ano pa ang tingin mo kay Miriam Defensor Santiago pagkatapos ng 1992, fan ka man hanggang dulo o isa ka sa mga nadismaya sa ilan sa mga naging political choices niya, may isang bahagi ng kanyang buhay na napakagandang balikan at pag-aralan:

Ang 1992 presidential election.

Hindi para sambahin si Miriam. Hindi rin para gawing santo ang isang politiko.

Kundi para pag-aralan ang isang napakabihirang pangyayari sa politika ng Pilipinas: paano muntik makarating sa Malacañang ang isang kandidatong halos walang pera at walang tradisyunal na makinarya?

At hindi ito simpleng alamat na nabuo pagkatapos ng maraming taon.

Habang nangangampanya pa lang siya, iyon na mismo ang obserbasyon ng mga journalist.

Noong February 1992, tinawag ng Christian Science Monitor ang kampanya niya na isang "shoestring campaign." Nangunguna siya noon sa popularity polls, pero sabi ng mga analyst, mahihirapan siyang tapatan ang "money and machinery of the other candidates".

machinery of the other candidates.”

Isang araw bago iyon, ganito naman siya inilarawan ng Los Angeles Times: nangunguna sa Manila-based polls, pero may “little real organization.”

Tatlong araw bago ang eleksyon, mas direkta ang UPI. Sabi nito, maraming skeptics ang naniniwalang wala siyang tsansang manalo nang walang political machine. Ang People's Reform Party niya ay bago at “poorly organized.” Samantala, students, young professionals at middle-class families ang kusang dumagsa sa kanyang kampanya.

Pagkatapos bumoto ang bansa at manguna siya sa mga unang unofficial returns, ganito naman ang Washington Post:

“Despite negligible organization and scant funding,” nakagawa si Miriam ng campaign na umagaw sa imahinasyon ng napakaraming botante.

Basahin ulit iyon.

Negligible organization.

Scant funding.

Pero nangunguna sa unang bilang ng boto para maging Presidente ng Pilipinas.

facebook

Pero nangunguna sa unang bilang ng boto para maging Presidente ng Pilipinas.

At pagkatapos ng eleksyon, binalikan ito ng Christian Science Monitor. Ang kampanya raw ni Miriam ay tumakbo sa isang “shoe-string budget,” at sinabi ng mga analyst na pambihira ang kanyang naging performance dahil mayroon siyang “neither the machinery nor money” na dati'y itinuturing na kailangan para seryosong lumaban sa presidency.

Pati sa academic literature, pareho ang naging pagbasa. Political scientist John Sidel later described Santiago's 1992 campaign as one of those that ran with “little money or machinery.”

At si Miriam mismo, makalipas ang dalawang dekada, ikinuwento kung gaano kakapos ang kampanya niya:

“In 1992, I had no money.”

Hindi raw ito figure of speech lang sa kuwento niya. Mostly young volunteers ang kaniyang inaasahan. Ayon kay Miriam, nanghihingi pa sila ng rejected wood sa lumber yards para maitayo ang campaign stage. Minsan bumabagsak pa raw ang stage dahil siksikan ang supporters.

Samantalang ang mga kalaban niya, sabi niya, kayang gumastos para maghakot at magdala ng tao sa rallies.

Samantalang ang mga kalaban niya, sabi niya, kayang gumastos para maghakot at magdala ng tao sa rallies.

Imagine that scene.

Walang Facebook.

Walang TikTok.

Walang troll farm.

Walang nationwide digital advertising machine.

Walang political dynasty na ilang dekada nang may governors, mayors at barangay networks na nakahilera sa likod ng pangalan mo.

Mga estudyante, volunteers, improvised stages, rallies, speeches, word of mouth.

At muntik maging Presidente.

Iyon ang nakakabighani sa 1992.

Hindi dahil perpekto si Miriam. She wasn't.

Hindi rin dahil puwede nating ideklarang napatunayang ninakaw sa kanya ang presidency. Matapos manguna sa early returns, si Fidel V. Ramos ang na-proclaim na winner. Nag-akusa si Miriam ng malawakang pandaraya at siya lamang sa mga natalong kandidato ang

Hindi rin dahil puwede nating ideklarang napatunayang ninakaw sa kanya ang presidency. Matapos manguna sa early returns, si Fidel V. Ramos ang na-proclaim na winner. Nag-akusa si Miriam ng malawakang pandaraya at siya lamang sa mga natalong kandidato ang nagdala ng presidential election protest sa tribunal. May mga documented cases of electoral fraud noong halalan, pero walang naging conclusive judicial finding na nationwide cheating ang nagpabago sa presidential result. Hindi na rin tuluyang nalitis sa merits ang protesta niya matapos siyang tumakbo at manungkulan bilang senador.

Kaya hindi natin kailangang gawing fact ang hindi napatunayang allegation.

Pero hindi rin natin dapat palampasin ang tunay na political miracle ng 1992:

Isang kandidatong sinasabihan ng mga analyst na hindi kayang makipagsabayan sa “money and machinery” ay halos nakipantay sa pinakamakapangyarihang political machines ng bansa.

At thirty-four years later, parang mas nakakatakot itanong:

Kaya pa ba ngayon?

Kaya pa ba talagang manalo sa Pilipinas ang kandidatong walang malaking pera?

Aug 25, 2026 12:05:52

Kaya pa ba talagang manalo sa Pilipinas ang kandidatong walang malaking pera?

Dahil mahal ang demokrasya natin. Literal.

Kailangan ng ads. Headquarters. Organizers. Transportasyon. Watchers. Lawyers. Rallies. Social media teams. Influencers. Content. Provincial networks.

At sa pinakabulok na bahagi ng ating electoral system, buhay pa rin ang napakatandang formula:

Guns. Goons. Gold.

Ngayon, may upgrade na.

Guns. Goons. Gold. Propaganda. Troll farms. Disinformation. Paid influencers. Vote buying.

Parang software update ng trapo.

At kapag ang kalaban mo ay may bilyon-bilyong kayang gastusin, hindi sapat na sabihin nating:

“Mas magaling naman ang kandidato natin.”

Magaling nga. Pero paano siya mariringig?

Ito ang structural problem ng Philippine democracy. Kapag napakamahal ng entrance fee sa public office, natural na napupuno ang

Aug 25, 2026 12:05:54

Ito ang structural problem ng Philippine democracy. Kapag napakamahal ng entrance fee sa public office, natural na napupuno ang sistema ng mga taong kayang bayaran ang entrance fee.

At kapag daan-daang milyon ang inilabas para makakuha ng trabahong ang legal na sweldo ay napakalayo sa ginastos, reasonable lamang itanong:

Ano ang return on investment?

Kaya napakasimple pero napakabigat ng sinabi ni Vico Sotto:

“Ang gagastos ng malaki sa kampanya, ay malaki rin ang babawiin.”

At dinugtungan pa niya:

“Ok lang tawagin akong kuripot, at least hindi magnanakaw.”

Kaya kung makakita tayo ng competent, honest at qualified na kandidatong walang malaking war chest, huwag nating hintaying magkaroon siya ng makinarya.

Tayo ang maging makinarya.

Mag-volunteer.

Mag-volunteer.

Magbigay ng ₱50 o ₱100 kung kaya.

Mag-share ng plataporma.

Mag-house-to-house.

Magbantay ng boto.

Kausapin ang pamilya.

Ipaliwanag sa kapitbahay.

Ipagtanggol laban sa disinformation.

Dahil ang political machinery ay hindi kailangang gawa sa pera.

Puwede itong gawa sa tao.

At siguro iyon ang pinakamagandang alaala ng 1992.

Mga estudyante ang naging machinery.

Volunteers ang machinery.

Mga ordinaryong taong naniwala ang machinery.

At muntik umabot hanggang Malacañang.

At muntik umabot hanggang Malacañang.

Kaya baka mali ang tanong na:

“Paano mananalo ang kandidatong walang pera?”

Mas magandang itanong:

“Kung walang pera ang matinong kandidato, handa ba tayong tayo ang maging pera at makinaryang wala siya?”

Because democracy should never become an auction where the presidency goes to whoever can afford the highest bid.

Kung ayaw nating gawing negosyo ang politika, huwag nating gawing puhunan ang boto.

At kung ayaw nating ang gobyerno ang maging lugar kung saan binabawi ang ginastos sa kampanya, kailangan nating patunayan na sa Pilipinas, posible pa ring manalo ang kandidatong hindi mayaman basta may isang bagay siyang hindi mabibili ng bilyones:

Mamamayang handang kumilos para sa kanya.

Nanawagan si House Senior Deputy Minority Leader Leila de Lima na bigyan ng mas mabigat na parusa ang subornation of perjury o ang paghikayat sa isang tao na magsinungaling sa ilalim ng panunumpa.

Binigyang-diin ni De Lima na ang pekeng testimonya at pagsisinungaling sa korte ay sumisira sa integridad ng sistema ng hustisya, kaya dapat managot ang mga responsable.

Sa pamamagitan ng House Bill No. 1435 o "Criminalizing Subornation of Perjury Act," iginiit niyang mapapatawan ng mas mahigpit na kaparusahan ang mga opisyal o empleyado ng gobyerno na sangkot dito, kabilang ang habambuhay na pagbabawal sa paghawak ng posisyon o trabaho sa gobyerno.

People mocked how bad it looked and it turned into a $4 million hit anyway

Chinese animated film Niu Lai was made over five years by a mother and son duo, Xin Yumeng and Sun Lifang, on a reported budget of just $200. It opened to almost nobody watching, but clips mocking its rough visuals went viral on Chinese social media and turned curiosity into ticket sales, pushing it past $4 million and putting it ahead of Paranormal Activity and The Blair Witch Project for return on investment.

The son animated, modeled, and edited the whole thing while voicing the male characters, and his mother taught herself screenwriting and wrote the film's theme song. Sometimes the internet dragging something is exactly what turns it into a hit.

‘I WASN’T ASKING, YOUR HONOR. IT’S BY SIMPLE ARITHMETIC’

Tensions start to brew between Atty. Mae Divinagracia of the prosecution and Atty. Kristine Ferrer of the defense team as they debate over the liquidation report of the Office of the Vice President during the 18th day of the impeachement trial.

Divinagracia was asking witness Lemuel Ortonio if it’s correct to say the confidential funds were liquidated within 10 days, pertaining to the “period covered: December 21-31, 2022” in the document presented.

“Your honor, please the document speaks for itself,” Ferrer interjected.

“Your honor, I believe counsel is referring to the original documents rule. Unfortunately for her, your honor, that’s an improper invocation of the original documents rule. The original documents rule does not bar questions relating to the document…,” Divinagracia responded.

“Your honor, quick reply, because the witness was asked to interpret the document and the contents of the document,” Ferrer replied.

“Your honor, quick reply, because the witness was asked to interpret the document and the contents of the document,” Ferrer replied.

“I wasn’t asking, your honor. It’s by simple arithmetic—,” the private prosecutor said.

“No, your honor, she was referring to the contents of the document,” Ferrer reiterated.

“With all due respect, your honor, if I can just make a brief reply to the manifestation. I wasn’t asking this witness to interpret the document, by simple arithmetic, this witness can easily come up and say the number of days within which the P125 million was spent and disbursed, your honor,” Divinagracia explained.

AKBAYAN CONDEMNS HARASSMENT OF COUNCILOR PORDAN, DEMANDS ACCOUNTABILITY FROM MAYOR ROBES

Akbayan Party strongly condemns the reported harassment and intimidation of Akbayan Councilor Atty. Ronalyn Pordan of San Jose del Monte, Bulacan, allegedly by Mayor Rida Robes during a basketball game at the City Sports Complex on August 23.

In various photos and videos that went viral online, Robes was seen approaching Councilor Pordan, pointing and shouting at her in front of spectators. The incident reportedly followed the crowd's chanting of "Tubig! Tubig!" when Robes entered the sports complex, apparently in reaction to the serious water issue faced by residents.

According to various accounts, Robes berated and confronted Pordan and accused her of instigating the crowd, which the councilor has strongly denied. There were also reports that people at the venue were made to surrender their mobile phones and forced to delete videos of the incident.

Aug 25, 2026 12:15:28

Walang puwang ang ganitong asal mula sa mga tinaguriang lingkod-bayan. Ang hindi pagtanggap sa puna at panawagan para sa pananagutan ay hindi nagbibigay sa sinumang opisyal ng pamahalaan ng karapatang mang-harass o manghiya sa publiko ng kapwa halal na pinuno, lalo na't pigilan ang mamamayan na idokumento ang tunay na pangyayari.

Akbayan stands with Councilor Pordan and calls for accountability over the incident. We demand that Mayor Robes explain her conduct and issue an apology. Public office demands respect and accountability, not a license to intimidate, silence, or evade responsibility. Akbayan also urges the citizens of San Jose del Monte, Bulacan, to continue speaking up and expressing their grievances, even when their opinions and criticisms are uncomfortable for those in power.

'NO RECORD OF CONFIDENTIAL FUNDS [DURING LENI ROBREDO'S TERM]'

OVP Assistant Secretary and Assistant Chief of Staff Lemuel Ortonio said they requested confidential funds from the Department of Budget and Management through a letter signed by Vice President Sara Duterte, noting that the OVP did not have such funds under former VP Leni Robredo.

"Do you confirm that Vice Pres. Sara Duterte's predecessor, former vice president Leni Robredo, did not have confidential funds?" Private Prosecutor Atty. Mae Divinagracia asked.

"Based on the records that we have, there's no record of confidential funds," Ortonio responded.
